

Age: 12		RHONDA L. MOMMER , Mother and Guardian of the Estate, is Petitioner.	NEEDS/PROBLEMS/COMMENTS: <u>Note:</u> Petitioner was appointed Guardian of the Estate without bond, and is not authorized to take possession of money or any other property without a specific court order pursuant to Order 4-3-06. Nothing further occurred in this guardianship estate since that date (no assets inventoried, no account). <u>Continued from 8-7-12. As of 10-2-12, nothing further has been filed.</u> 1. <u>This guardianship estate has no assets. No inventory and appraisal or account has ever been filed. The Court cannot make any orders regarding assets not inventoried as assets of the guardianship estate.</u> From a review of Court records, it appears that: - Petitioner was appointed guardian of the estate for the three minor children in anticipation of receipt of assets from their father's estate. - However, the Estate of Gordon Mommer 05CEPR01325 was never concluded or distributed. - There was also a pending family law dissolution case 02CEFL04083. - On 6-6-08, some assets, including interests in the house, appear to have been distributed directly to the minors pursuant to a stipulated judgment between Petitioner and the Fresno County Public Administrator (as personal representative of the estate) in the family law dissolution case. - <u>However, no assets were ever inventoried in the guardianship estates. Therefore, the Court cannot address this petition at this time.</u> <u>Need Inventory and Appraisal and account current.</u> SEE PAGE 2

Petitioner states a judgment on the dissolution of Petitioner and Decedent was entered on 6-6-08 (after Decedent's death) in which the family residence (the DeWitt House) was awarded 73.339% interest to Petitioner and 8.887% interest to each of the three minor children. Petitioner was appointed guardian of the estates of all children and managed their estates, including their interests in the DeWitt House.

Petitioner states two of the children have reached majority, and Sarah is now 12. Petitioner has remarried and she and Sarah now reside with Petitioner's husband. The DeWitt House has been rented for approx. two years.

Petitioner, for herself and as guardian of Sarah's estate, along with the older children, now wish to refinance the DeWitt House to consolidate the existing first mortgage and equity line into a single mortgage to reduce the term and interest rate. The first mortgage is at 5.75% and Petitioner is informed she should qualify to reduce that rate by a full point. The second mortgage has a variable interest rate. Therefore, Petitioner seeks an order permitting her to refinance the DeWitt House pursuant to Probate Code §2501(a)(2). Petitioner hopes to consolidate the existing debt on the property, reduce the interest rate and expense of same, and reduce the remaining term on the debt. If consolidation is available, she will be able to afford to replace the carpet with the monthly savings she will realize from the transaction. If consolidation is not available, Petitioner will attempt to refinance the first mortgage only, still reducing the interest rate, but will increase the amount of debt to include the cost to replace the carpet (\$5,000.00). This will make the house more marketable as a rental. Petitioner expects the monthly payments to remain roughly the same, but the term will be reduced by approx. three (3) years. Petitioner states both of Sarah's siblings (who have reached majority) support the proposal.

Petitioner prays for an Order:

1. Approving, allowing and settling the first and final account;
2. Authorizing the reimbursement to conservator in the amount of \$4,257.98;
3. Authorizing attorney fees in the amount of \$9,508.50;
4. Authorize distribution of the remaining property, pursuant to Affidavits Under Probate Code § 13100 to:

 - c. Gael Classen (daughter) - \$1,986.24
 - d. Carolyn Grooms (daughter) - \$1,986.24
 - e. Cathy Ward (daughter) - \$1,986.24

Declarations filed by Gary Bagdasarian state:

- The accounting was prepared based on number provided by the CPA. The attorney was required to provide additional correspondences to the Conservator to obtain proper descriptions of various items.
- The Attorney was required to make a court appearance on the status of the accounting due to delays caused by the Department of Health Services Claim.
- The Conservatee died during the account period. Therefore an accounting was required to the date of death and another accounting subsequent to the date of death.
- The attorney prepared 13100 affidavits to pass the remaining property to the heirs of the conservatee.
- The attorney was required to obtain from the conservator billing statements for the residential care home the where the conservatee resided.

Mr. Bagdasarian states he is willing to reduce his rates for the preparation of the accounting to \$200.00 per hour for a total of \$3,3800.00, a reduction of \$845.00.

An Ex Parte Request for an Order Shortening Time in Connection with the First and Final Account was presented to the court. The request alleged that a request was made by one of the beneficiaries to have a decision as soon as possible due to a hardship involving ill health and potential homelessness should there be a delay. The Court after considering the information approved distribution to Gael Classen only in the amount of \$1,817.24 and that all remaining issues shall remain set.
